KENTUCKY'S TOP 20 BANKS BY DEPOSIT HOLDINGS

THERE is no change in the rankings of the top 20 banks operating in Kentucky in the latest annual FDIC Deposit Market Share Report figures. Banks sometimes vary in their strategy for carrying amounts of deposits and loans on their books, but generally look to grow. PNC increased its Kentucky deposits by \$380 million from a year earlier and is nearing 10 percent of the market, further cementing its position as the commonwealth's largest deposit holder. Second-place JP Morgan Chase had a \$196 million decrease in its Kentucky deposits. Third-ranked Fifth Third grew its commonwealth deposits by \$457 million, and fourth-ranked BB&T increased by \$451 million.
