

PRODUCTIVITY IN THE WORKPLACE

Monday may be getting a bad rap, according the results of an Accountemps survey, which reveals that Monday is actually the most productive day of the week. The survey asked American workers when they are most productive and what affects their productivity.

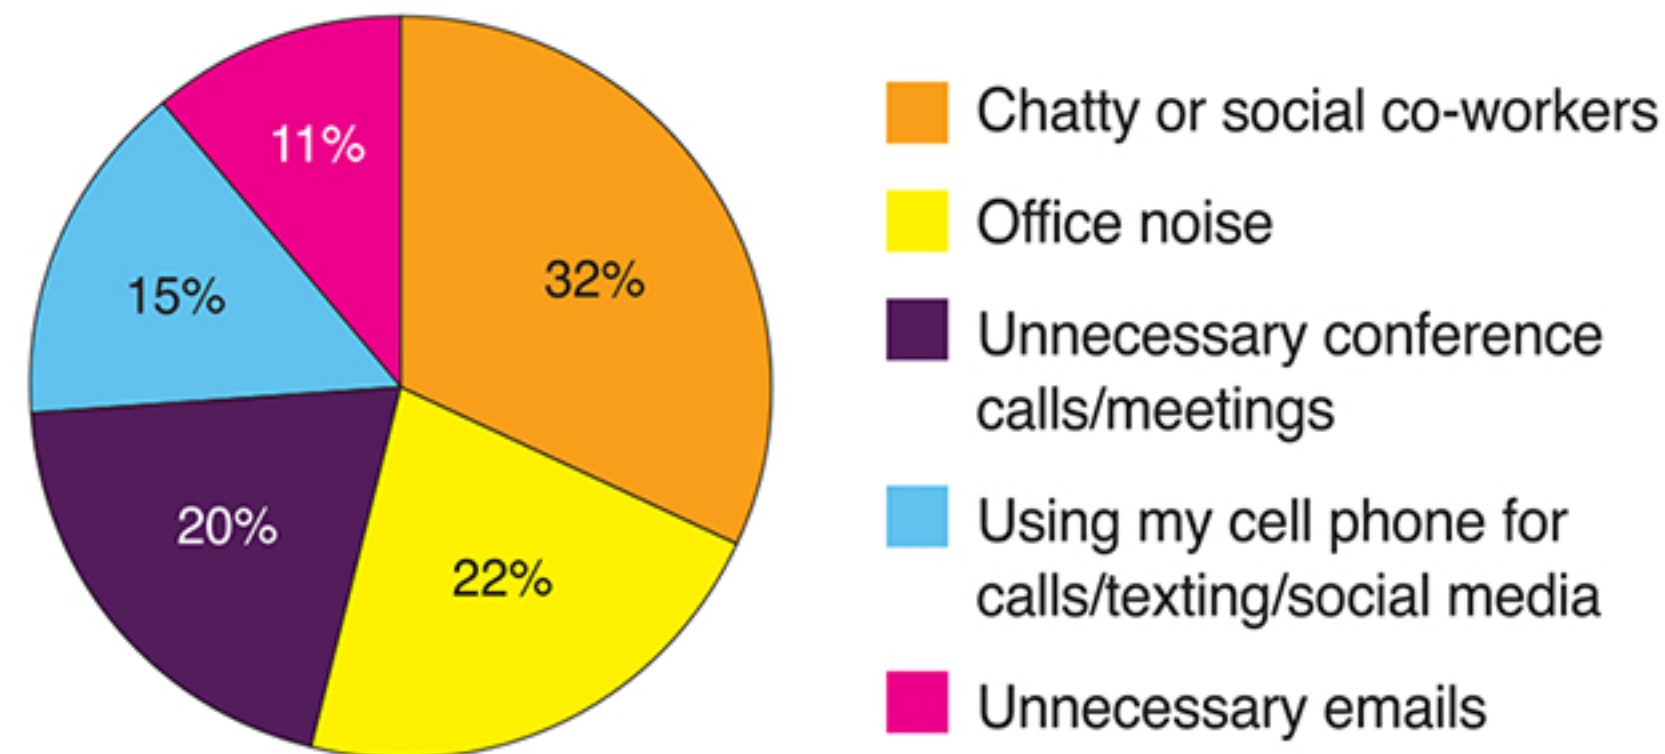

WHAT DAY OF THE WEEK IS MOST PRODUCTIVE FOR YOU?

WHAT PART OF THE DAY IS MOST PRODUCTIVE FOR YOU?

WHAT IS THE SINGLE BIGGEST DISTRACTION THAT IMPACTS YOUR PRODUCTIVITY?

* Responses do not total 100% due to rounding.
