

Walgreens Has Opened COVID-19 Testing Sites In Your Community

Walgreens has partnered with HHS to open drive-thru testing facilities in Kentucky. COVID-19 testing will be provided to eligible individuals at no cost.

Who is eligible?

Eligible individuals, based on CDC guidelines*, include:

- Individuals, 18+ years of age with symptoms
- First responders, with or without symptoms
- Healthcare workers, with or without symptoms

How do I sign up?

First take an online assessment to determine eligibility at www.walgreens.com/coronavirus and, if qualified, you will be directed to select a location and an appointment time.

Where is the testing site?

Drive-thru testing will be conducted by appointment only in select locations in our parking lots.

How is the test administered?

The test is conducted with a self-administered nasal swab with directions by Walgreens pharmacists at our testing site.
